Services Rendered by Spick n Span to SMA Finance cc

We have engaged the services of Spick n Span at the end of 2008 on a temporary basis for the cleaning of our offices and the requirements of a tea lady.

The level of service was excellent, queries to the offices were efficient and we had thereafter decided last year to change our contract from a 3 day a week to a full time contract as the levels of service excelled and there was no need for any babysitting of Staff or additional effort from our side all this had been well taken care of. I would personally recommend spick n span to any entity or individual looking for hassle free service together with excellent results.

Should you have any queries or require further assistance please do not hesitate to contact me.

Kind Regards
